## 2025 ONE DAY Team Camps

**4 Separate Camps**

**Limited to 4 Teams**

**June 3, 4, 16, and 17**

**2 Full Length Games and Instruction**

**9:00 to 5:00**

**\$125 per player**

1 Day Team Camp format is designed to help with high school team's summer scheduling and to make more affordable for individual players and/or teams. It will include two full games along with detailed team instruction on hitting, base running, strength training, recruiting process, situational hitting, increasing power for individual hitters as well as focusing on a variety of team offensive & defensive aspects of the game. All four camps filled up early last year with a waiting list for each session. Camp will utilize **Trackman and Video Board**.

**Camp Format** The **one day** camps will allow each team to take advantage of the Division I level instruction as an entire team while also playing two games, limiting the time commitment, and lessening the cost for each player or program. The format will help with players pulled to summer programs and other sports. We are limiting each to 4 teams and keeping all activity on campus and our facilities here to maximize the time and camp experience.

**Schedule** The Camp will begin at 9:00 and end at around 5:00 (could extend slightly for weather). The games will be played earlier in the day followed by defensive and hitting sessions. The schedule will include team defense, hitting lecture, cage sessions, Video Hitting Analysis, hitting for power drills and defense by position. The entire Samford Staff will be handling instruction. And also a Strength & Conditioning session by Samford Strength Coach.

**Costs** \$125 per player. **DEPOSIT** is \$250 (applied to total cost) per team to guarantee a spot. Includes Lunch.

**Minimum of 14 players per team.**

**Facilities** The entire camp including all meals will take place on the Samford Campus, Indoor Hitting facility, Video room. Due to the close proximity of all the facilities, there will be no travel time going from field to field to maximize playing and instruction time. We will do everything possible to get in games if we get weather. Our indoor facility will allow us to operate the camp regardless of weather.

**Team Responsibilities** Provide Team information on Camp Application \* Camp Waiver signed by EVERY participant's parent \* Provide All Gear: bats, helmets, gloves, catching gear \* Team will handle all travel needs to campus and Homewood HS \* Provide a roster with contact info, position, t shirt sizes and grad year for roster
